SUBJECT: City of Rancho Palos Verdes Comments on Proposed Maps

Dear Commissioners:

The City of Rancho Palos Verdes is located on the Palos Verdes Peninsula. We appreciate the work of the Commission to solicit public testimony and to prepare draft district maps.

The City of Rancho Palos Verdes works closely with the other three cities on the Palos Verdes Peninsula, and with the other cities in the South Bay, located generally west of the 405 and 110 freeways and south of Los Angeles International Airport. We are supportive of Draft Map B-3, and B-series iterations, as they meet these criteria.

Thank you for your efforts to draw the new district lines for the Los Angeles County Board of Supervisors. We look forward to continuing to be represented as a whole City, and alongside our South Bay neighboring cities in the new district.

Sincerely,
